# PUBLIC LIBRARY AND DISPLAY CENTER TANDOJAM

Public Library and Display Center Tandojam, the **first-ever library** established in the city's history, stands as a cornerstone of learning and community development. Initiated by Assistant Commissioner Hyderabad Qandeel Fatima Memon in collaboration with the Indus Youth Welfare Organization, the library has become a vibrant hub for reading, education, and public engagement, offering residents a much-needed space to access knowledge and explore opportunities for personal and academic growth.

## INAUGURATION OF LIBRARY

Public Library and Display Center Tandojam was officially inaugurated on **6th June 2021** by Assistant Commissioner Hyderabad **Qandeel Fatima Memon, ASP City Aleena Rajpar, and social activist Marvi Awan**. During the ceremony, the guests praised the efforts of the district administration and the dedicated members of the **Indus Youth Welfare Organization**. The initiative received overwhelming appreciation from the community, recognizing it as a significant step toward educational development in the area.

### **TRANSFER OF AC QANDEEL MEMON**

On the day of the inauguration, Assistant Commissioner Qandeel Fatima Memon was **transferred from the district**. Following her departure, the Indus Youth Welfare Organization team **took full responsibility** for the management and operations of the Public Library and Display Center Tandojam. Since then, the organization has actively maintained and developed the library, ensuring its continued role as a center of learning and community enrichment in Tandojam.

### **INSTALLATION OF UPS SYSTEM**

To address the issue of frequent electricity load shedding, a **UPS system** has been installed at the Public Library and Display Center Tandojam. This ensures an uninterrupted power supply, allowing students to continue their studies without any disruption. The initiative reflects the commitment of the Indus Youth Welfare Organization to provide a comfortable and supportive learning environment for all library users, even during power outages.

### **FREE INTERNET CONNECTION**

When the COVID-19 pandemic began, students started visiting the Public Library and Display Center Tandojam to attend their online classes. Recognizing the need for internet access, the Indus Youth Welfare Organization installed a **reliable internet connection in the library**. This enabled students to continue their education virtually and also supported those working on freelancing projects, making the library a digital learning and work-friendly space during challenging times.

## INSTALLATION OF AIR CONDITION

Due to extreme heat, students and visitors were facing difficulties while studying in the library. To address this issue, a **new air conditioning system has been installed** with the valuable support of philanthropists and Additional Deputy Commissioner **Lal Dino Mangi Sahab**. This improvement has significantly enhanced the learning environment, making the library a more comfortable and student-friendly space.

## BOOKS DONATION

Indus Youth Welfare Organization (IYWO) launched an extensive **book donation** drive through both online and physical campaigns. As a result, over **1,500 books** were successfully collected. These newly added books have been organized and placed in the library, covering a diverse range of subjects including English, Sindhi, and Urdu literature, fiction, and preparation material for various competitive and job-related exams.

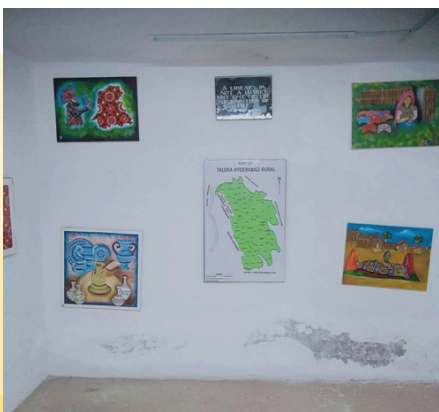

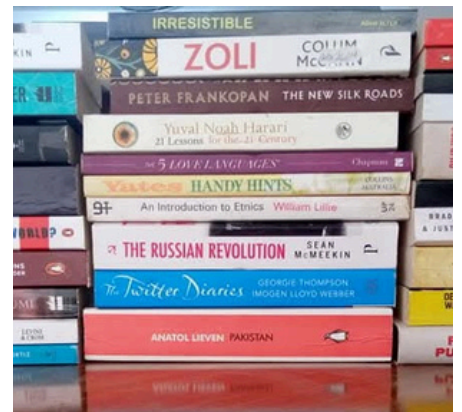

## SAFE ENVIRONMENT FOR GIRLS

Library also offers a **safe and secure** environment for female students, encouraging them to pursue their studies with confidence. Many girls regularly visit the library, benefiting from the peaceful and comfortable atmosphere that supports focused learning and academic growth.

# ART MELA

27 March 2021

Venu- Allied School, Tandojam

Indus Youth Welfare Organization organized the first-ever Art Mela in Tandojam, attracting over 300 participants from the community. The event served as a platform to showcase creativity and talent among youth. The **Chief Guest** of the event was **Assistant Commissioner Hyderabad Rural Madam Qandeel Fatima Memon**, whose presence added great value and encouragement to the participants and organizers

## PURPOSE OF EVENT

The purpose of the event was to encourage children and youth to express their hidden talents and creativity through art. For many participants, it was the first time they showcased their inner feelings and emotions through drawings. As the saying goes, “**Art is the journey of a free soul**”—and this event truly gave young minds the freedom to express themselves beyond words.

# BLOOD DONATION DRIVES

06 June 2021

Venu- MirColony Tandojam

Indus Youth Welfare Organization successfully conducted a **blood donation drive**, collecting 25 bottles of blood. Over 30 members volunteered, but due to SOPs, only 25 were eligible to donate. The initiative was driven by a strong commitment to community service. Appreciation certificates and free blood test reports worth Rs. 20,000 will be provided to the donors within 72 hours, acknowledging their valuable contribution

## PURPOSE OF BLOOD DONATION

The purpose of organizing the blood donation drive was to contribute to saving lives by ensuring the availability of safe and healthy blood for patients in need. It aimed to **promote the spirit of volunteerism**, raise awareness about the importance of regular blood donation, and encourage youth to play an active role in supporting healthcare services within the community.

# BLOOD DONATION

# TEARFUND FOUNDATION PROJECT

06 June 2021

venu - TANDOJAM

Tearfund, with the support of UKAid, launched the project **“Turning plastic and other waste into green products to improve environment and provide poor people of Sindh improve health and livelihood.”** It was the first time the IYWO team collaborated with professionals, working **VOLUNTARILY** for **six months**. They actively assisted in surveys, focus group discussions, and community engagement. At the project's conclusion, Tearfund recognized the volunteers with certificates and appreciation gifts.

## ACTIVITIES:

# VOLUNTEERS AWARD RECOGNITION CEREMONY

# COVID-19 VACCINATION

17 July 2021

Venu- MirColony Tandojam

During the COVID-19 pandemic, the Indus Youth Welfare Organization (IYWO) voluntarily set up **vaccination camps** to support the community. These camps were fully equipped with the necessary vaccination setup and also served as a launch point for an **awareness campaign encouraging people** to get vaccinated. The initiative played a vital role in promoting public health and safety during a critical time.
